## POWER SPOT:

every space/garden has spot(s) that demand your attention and suggest a special space:

- highest elevation-great for viewing vista
- enclosed group trees, shrubs, etc
- large boulders
- water feature

can strengthen or dilute a site's character by focusing on power spot

Ways to highlight it:

- name it
- mark spot with sign,art piece
- place a bench here
- make a path to get here easy
- add seasonal interest in plantings
- add lighting
- maintain it
